RE: Application No.: 10/712,385
Title: Safety System for Focused Energy Applications
Applicant: CeramOptec Industries, Inc.
App. File No.: BJA224A

Dear Sir or Madam:

I am writing to request a correction of the recorded filing date for the above application. The above nonprovisional application was deposited in the U.S. Post Office via express mail on November 12, 2003 for filing with the USPTO. A post card was included, which was recently returned to us and contains a bar-code sticker detailing the above assigned application number and a filing date. The recorded filing date, however, is erroneously given as November 11, 2003. (see copy)

Please correct the filing date for the above application to indicate the proper filing date of November 12, 2003, as is indicated on the attached express mail receipt. Also attached is a copy of the submitted post card recently returned to my office and containing the aforementioned bar-code sticker. Thank you for your time and attention to this matter.

Sincerely,

Bolesh J. Skutnik, PhD, JD
